**Photography**

Gallery arches

Showcasing the works of young photographers:

Catarina Rodriguez and Cat Smith

The Foyer photography project with Sam Mellish

Katherine Green and the North Cambridge Girls Group

**Installations**

Pews

Working with artist David Kefford, Jacob Abbot, Rebecca Scott and Izzy Hardy have created installations hidden among the pews responding to their experiences of living in Cambridge.

**Film**

In front of the alter

A collaboration between film maker Peter Harmer and Circuit member Livius Jaegar, bringing together iconic films exploring church spaces in different ways.

**Sound piece**

Jacob Abbott

Inspired by the theme Unlock Cambridge, the sound piece is made almost entirely out of recordings of the sounds of locks. Padlocks, electronic keypads, and rickety gates, the sounds were manipulated to create the rhythms of the piece.
