Become a Friend

If you enjoy Kettle's Yard why not become a Friend?

Friends contribute to the whole life of Kettle's Yard and at the same time receive a number of benefits.

Friends help to finance exhibitions, publications, conservation of works of art and development projects. The core funding which Kettle's Yard receives is not sufficient to cover the programme presented.

Friends receive the following benefits:

- A special programme of events arranged by the Friends events committee including visits to private collections and artists' studios, trips to major art centres in the U.K. and abroad, lectures and social events.
- Free advance publicity of all Kettle's Yard activities, including talks, lectures, workshops and concerts.
- Free invitations to exhibition openings.
- A 10% discount in the Kettle's Yard shop.
- The Friends Newsletter and an annual party at Kettle's Yard.

You can join the Friends of Kettle's Yard online, kettlesyard.co.uk/friends or by completing this Membership Application Form and returning it to a member of staff. You can also buy membership in the shop at Kettle's Yard.
